RECIPE FOR GRAY HAIR.
To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/2 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

SYMPTOMS

Slight Symptoms Sometimes Presage Serious Results

Do you feel tired, have you a sal-low complexion, constipation, headache, bad breath, sleeplessness or circles around your eyes? If so, you are undoubtedly suffering from some liver complaint.

Perhaps you don't feel very badly now, but delay is dangerous. To allow your liver to continue out of order, is to invite a serious chronic illness.

Whenever you have the slightest symptoms of liver trouble, stop it immediately. You can do it harmlessly and mildly by taking Liv-Ver-Lax, the natural vegetable compound that is replacing calomel everywhere. It has all the effectiveness, not the effect of calomel. Insist on getting the original Liv-Ver-Lax, bearing the likeness and signature of L. K. Grissim, which is guaranteed to give satisfaction or money refunded. For sale at Wyley's Drug Store.

BROTHERTON

There is a great deal of pneumonia and lagrippe in this vicinity. We have never experienced anything like it.

Getting wood and caring for the sick is quite common just now.

The death angel visited the home of Vaden Cooper last Thursday evening, claiming for its victim their dear mother, Mrs. Leam Cooper. She leaves four children to mourn her loss, Vaden, Graydon, and Miss Alma Cooper, of this place, and Mrs. W. T. Parragin of Livingston. They were all at her bedside when the summons came. Sister Cooper was a devoted mother and a good neighbor. Her familiar face will be missed by the family and friends here; but if they could only lift the veil they could still see her watching for them. May God be near the bereaved ones and comfort them, and help them to look forward with bright anticipations to that other life where death is unknown and where all is bright and fair.

J. M. Swallows, who has been very low is improving slowly. We miss him very much about Brotherton, as his face is so familiar. Hope he will soon be out again.

N. H. Burroughs has purchased the grist mill formerly run by W. A. Beasley, and is running it near the same place.

Sam Brewer was in Cookeville, on business, Saturday.

Miss Mal Gibbons, of Algood, is visiting her sister, Mrs. P. L. Judd, at this place.

Business in on the standstill here, perhaps on account of so much sickness.

Charlie Cook and family of Vernon, Texas are visiting his nephew, Mr. Vaden Cooper. His little boy who has been very low with pneumonia is improving.

We are all very sorry indeed to note the death of Aunt Jane Jackson as she once lived here and was loved by all who knew her.

M. G. Matheney, of Meridian, Miss. please write a letter to the Herald. We enjoy all the good letters.
